REQUEST FOR APPROVAL OF DRAWING CHANGES

Sir:

Submitted herewith are marked-up copies of each of Figures 1a-8a, 1b-8b, 9 and 10 of the drawings showing the changes made in red. The Examiner commented in the last Office Action that the lines in the drawings were faint and that in Figure 4b, the "P+" region should be designated as an "N+" region. The informal drawings submitted with the application have been corrected and upon the approval of the corrections, formal drawings will be submitted with the application. A duplicate copy of this sheet, as well as a duplicate copy of the marked-up drawings, are also submitted herewith.

Respectfully submitted,

Gerald T. Bodner
